# SAFETY GUIDELINES FOR THE NEW NORMAL

After months at home, it's natural to want to escape for a bit. With that said, we encourage our fellow travellers to travel responsibly and make sure to follow these easy steps to help prevent the spread of COVID - 19.

***Avoid travelling if you're feeling unwell or if you've been around someone with COVID-19 in the past 14 days.***

## WEAR MASKS DURING TRAVEL

Especially in public settings and in transportation hubs, such as stations.

## KEEP YOUR HANDS CLEAN

Wash your hands often or use hand sanitizer (with at least 60% alcohol)

## MAINTAIN SOCIAL DISTANCE

Avoid close contact by staying 6 feet apart (about 2 arms' length)

## TRAVEL SAFE, SAVE LIVES

The safety of the locals is as important as ours as they have lesser medical facilities in comparison to the people in the cities. Hence, we recommend taking extra safety measures during your travels.

## KANJOOS TRAVELLER SAFETY KIT

To ensure safe travel, Kanjoos Traveller will provide each traveller with a safety kit - ***face mask, hand sanitizer and surface disinfectant wipes.***
